COSMETOLOGY COURSE SOC CODE: 39-5012 CIP CODE: 12.0401

The Kentucky State Board of Hairdressers and Cosmetologists require 1500 hours of instruction. The Freshman portion of the course, or the first 250 hours of instruction, include lectures, demonstrations, and mannequin practice in basic hairstyling fundamentals. These include dimensional design, pin curl and roller application and control, basic hair cutting techniques, chemical services, including; permanent waving, relaxing and color, and manicuring and facials. As an intermediate, the student is introduced to the clinic lab where he/she works on patrons and exercise the knowledge gained during the Freshman course. (It is only through applied knowledge that the necessary experience and comprehension of cosmetology develops). As the student progresses through the course of training, becoming more proficient in hairdressing procedures, the clinic lab work becomes more salon oriented in its scheduling. All clinic experiences are monitored under the direct supervision of the faculty. The Redken Scientific Educational System utilized by the school is a highly technical teaching method which includes trico-analysis, hair through the microscope, creative concepts in hair color, and training tapes available to our student in all phases of cosmetology by highly specialized experts in our profession. Upon completion of the course (with satisfactory progress) the student will be required to pass an examination given by the Kentucky State Board of Cosmetology to receive an Apprentice Cosmetology License.
